

Welcome! You and your school have taken an amazing step towards improving your child's life through their school garden, from reducing their chances of developing Type 2 Diabetes to improving their grades in school.

This kit has everything you need to reach your fundraising goal to ensure your school garden program turns into a reality!

After a few of your amazing parents and teachers contacted us, we quickly got to work developing your customized school garden program together.

Healthy Planet's Role

- ✓ Assign your school your own Field Volunteer to help assess, design, and build your garden program
- ✓ Conduct a top-to-bottom Site Visit Assessment with your school garden team
- ✓ Develop a custom, comprehensive, sustainable school garden program tailored to your school
- ✓ Provide you with a [community crowdfunding platform](#) to raise money and community support to get your garden on its feet.
- ✓ Provide you with loads of community crowdfunding [flyers, checklists, email templates, fundraising ideas, tips, and more](#) for a successful campaign (Find these at www.healthyplanetus.org/resources)
- ❑ Provide [lesson plans](#) for teachers to create a learning bridge between the garden and the broader curriculum **(dependent on fundraising)**
- ❑ Source and deliver all of your garden supplies and tools -- from seeds to compost to shovels and more -- to ensure you have everything you need so your new Healthy Growing School Garden program can flourish **(dependent on fundraising)**
- ❑ Give you unlimited access to our expert [training and gardening videos](#) **(dependent on fundraising)**
- ❑ Help build and launch your Healthy Growing School Garden program **(dependent on fundraising)**

Now it's your turn to reach out to your friends, family, neighbors, local businesses, and colleagues, to raise the money and support so we can launch your program!

Your Role

- ✓ Register your school
- ✓ Approve your school garden program plan
- ❑ Reach your funding goal using your [community crowdfunding page](#)
- ❑ Have fun in your garden!

**We've given you your own [community crowdfunding](#) webpage at www.healthyplanetus.org/school.
*This is your go-to destination to share your story and collect donations.**

**Donations can also be via check or cash if some of your supporters prefer. Checks should be made out to Healthy Planet Foundation USA. Give the checks/cash to your teacher in an envelope.*
