

L.1 Enterprise Project Assignment

1. Which enterprise project(s) did you like the most?
2. Think about the enterprise project you liked the most. What would your next step be to create this project?
3. How would food, food production, garden education, or farming play a part in your enterprise project?
4. What would be the final goal or outcome for the enterprise project you preferred?
[Ex: The enterprise project I liked the most was the garden cookbook, and my final goal would be to sell twenty copies.]
